

Automotive Materials Community Collection Event

Do your part to responsibly dispose hazardous items

[Community name] will be hosting a collection event for used automotive materials -- antifreeze (fluid and containers that have a capacity of 30L or less), oil containers (that have a capacity of 30L or less) and oil filters.

Collection will take place on [date/time] at [location].

This event is supported by Automotive Materials Stewardship (AMS). On behalf of manufacturers and retailers of automotive materials, AMS helps create convenient, environmentally sustainable ways for consumers and businesses to recover hazardous materials and recycle automotive waste into new products.

Residents unable to attend this collection event can visit AutoStewardship.ca to search for their nearest drop off location to responsibly dispose of their used automotive materials.

For more information about this collection event visit [host url with event details].
